

# BOBCAT QUARTERBACK CLUB

Fueling the success of Bobcat Football

## Dear Bobcat supporters,

Montana State University Bobcat Football has the best fans and friends in the Big Sky.

"The Bobcats return 35 players from last season's two-deep roster," Coach Vigen said. "A group that played key roles in deep playoff runs each of the past two years."

You can be part of this aspiring team. Our various donation levels offer exclusive opportunities for all donors to better boost our Bobcats. You can help the team reach its goals!

Your generosity makes a difference in our football program. The Bobcat Quarterback Club is here to lift the team to new heights, and that can't be done without loyal supporters like you.

Will you continue to help push our team onward and upward? Please consider upgrading your gift to the Blue (\$2,500 per year), Gold (\$5,000 per year), or new Platinum (\$10,000 per year) level today.

Show your Bobcat pride by renewing your Quarterback Club membership now.

Go 'Cats!

Rick Vancleeve  
Chairman of the Executive Board of the Bobcat Quarterback Club

PS. See reverse for more information on all of the donation levels and exclusive opportunities for members.
